Dear Allan:

I learn with regret that Dr. Christopher Tietze is leaving the Department, and can anticipate your concern about a successor. I am aware of Dr. Tietze's recognized stature in his field and am particularly conscious of the consistently fine professional contribution he has made to the National Intelligence Survey. I would be happy to have our most sincere appreciation for this contribution conveyed to Dr. Tietze and made a matter of record.

Sincerely,

Assistant Director
Basic Intelligence

Mr. Allan Evans
